

2014.10.18 - Old Site Bug Report

From what I understand, the site should be functioning with all of the old features intact. So I am testing the old stuff now, and will also include a clarification email following this with the Tier 1 list of improvements.

Event Registration Fields Should be Mandatory

I am assuming that you registered for an event as part of your testing. The good news is that I received an email confirming the registration, which is correct. However, some of this info should have been mandatory. This page is accessible for all website visitors for two reasons: 1) players do not have to be members of the site in order to attend/register for an event, and 2) the parents may be doing the registration and may not have access to the player's log-in info. However, these fields are mandatory because we have to be able to identify the kids and provide an accurate roster. Also, the "School:" field needs to contain at least six characters. This should be the same for the registration pages. Players were selecting the option that their school was not on the list, but they were not typing the name and the system was accepting it because there were no minimum character requirements. I imagine this will not be as much of an issue when we replace the drop down menu for School selection with a text field that will show the search results. But it should still have a minimum character requirements just to be safe.

2014.10.18 - Old Site Bug Report

Solved: Previous Email - Bug #1

From previous email: "Screenshot #1 - When a new HS/AAU Coach or Scout registers it should take them into the site, not to a "Thank You for Registering" page. For athletes the "Thank You for Registering" page is good because they shouldn't be able to get in until they're approved." This has been corrected. Thank you.

Pending: Previous Email - Bug #2

From previous email: *"Screenshot #2 - "Send message to a College Coaches" should be "Send Message to a College Coach". Same thing for "HS / AAU Coaches". Also, I feel like the "Invite an Athlete to Join Site" link should be higher or more prominent."* Almost there. HS / AAU Coach is misspelled. Please remove the "e".

The screenshot shows the Prospect Network website interface. At the top left is the Prospect Network logo. At the top right are links for "My Account" and "View Profile", and a blue button labeled "EVENTS". A yellow message box states: "Athlete has been invited. Please also notify the athlete that he/she has been invited, as they may not check their email frequently. Once you confirm that the athlete's entered information is accurate, his/her profile will be activated. Thank you." Below this is the heading "Invite An Athlete to Join Site". Underneath is a form with the label "Enter Athlete's Email:" followed by a text input field with a red asterisk. Below the input field are two blue buttons: "Submit" and "Back".

2014.10.18 - Old Site Bug Report

Solved: Previous Email - Bug #4

From previous email: "Screenshot #4 - There was an internal error when I attempted to register as an athlete. I tried twice and it happened both times." It appear that this has been corrected also. Thank you.

The screenshot displays the College Prospect Network website interface. At the top, a navigation bar includes links for Home, Features, About Us, Contact, and Login, along with social media icons for Facebook, Twitter, and YouTube. The College Prospect Network logo is on the left, and a 'New User?' section with 'CREATE AN ACCOUNT' and 'EVENTS' buttons is on the right. A central yellow box contains a confirmation message: 'Thank you for submitting your application. Your profile will be reviewed by the College Prospect Network staff and you will be notified via email whether you are approved. Please allow 10 business days for us to process your request before contacting us. From, College Prospect Network.' Below this, the login form includes fields for 'User Name' and 'Password', both marked with an asterisk. The 'User Type' section has three radio buttons: 'Athlete' (selected), 'High School / AAU Coach', and 'College Coach'. A blue 'Login' button and a 'Forgot Password ?' link are at the bottom of the form. The footer contains a list of links: Site Home, Features, Privacy Policy, Terms & Conditions, and Refund Policy, followed by the copyright notice: Copyright © 2012 - College Prospect Network, Inc. Fro previous email: *"Please also provide access to the Admin Panel for me. I would like to get in and start cleaning up the school names and removing some of the test profiles that have been created, so long as everything I change in the database will be synced to the live site once we are ready to go live with this version."* Please advise me on the best solution here.

Pending: Previous Email - Bug #7

From previous email: *"The Athlete Approval link below is where this should show that the Athlete is waiting to be approved, so that the coach can proceed with approving the Athlete so that he may join the site and complete his profile."* This is technically, but we need some it to be red or make it stand out in some other way. It doesn't have to be exactly like this, but you get the point. Just something with the number of pending actions offset in a different color and/or style to bring attention to it

Pending: Previous Email - Bug #8

From previous email: "...the Athlete should not be allowed to access the site until he/she has been approved by the associated coach or the website Admin." This is fixed and working, but please change the text a little. The text should read, "Your profile is not yet approved. We will notify you of our decision by email when your application has been reviewed."

The screenshot shows the Prospect Network login interface. At the top left is the Prospect Network logo. At the top right is a blue button labeled "CREATE AN". Below the header is a yellow banner with a red border containing the message: "Your profile is not approved yet by coach. We will notify you when you approved." Below the banner are the login fields: "User Name:" with the text "October 18 Athlete Test", "Password:" with masked characters, and "User Type:" with radio buttons for "Athlete", "High School / AAU Coach", and "College Coach". At the bottom are a blue "Login" button and a link "Forget Password ?".
